

GENERAL

EXHAUST

1. General

- The exhaust system consists of front exhaust pipes, three-way catalytic converters, a center exhaust pipe, a rear exhaust pipe and a muffler. The front catalytic converter and rear catalytic converter are incorporated in the center exhaust pipe.
- The exhaust system features an improved sound suppression design; the two branches of the front exhaust pipe join at a point almost equal in distance from the engine's exhaust ports. The exhaust system also has chambers in addition to the muffler.
