

## REAR SEAT

Seats

### 2. Rear Seat

#### SEDAN

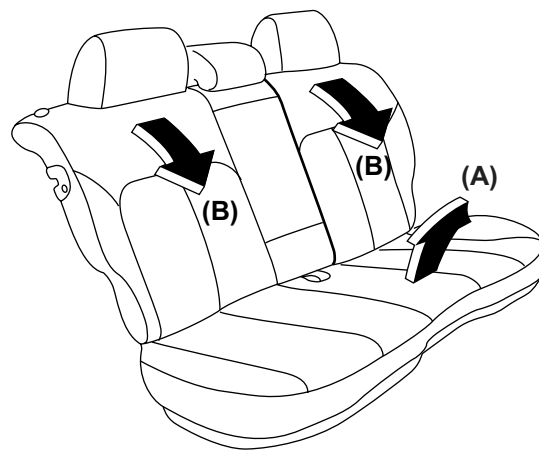

A trunk-through hatch is provided behind the armrest. It is accessed by folding down the central portion of backrest which also serves as an armrest in its down position.

SE-00164

#### WAGON

The rear seat is foldable by following the illustrated steps.

SE-00165

- (A) Step 1
- (B) Step 2
